

# **PUBLIC NOTICE**

PERMIT APPLICATION: NRS 06.370

**APPLICANT:** John T. Clark  
Vulcan Construction Materials, LP  
1200 Urban Center Drive  
Birmingham, AL 35242  
205-298-3603

**LOCATION:** Unnamed Tributary to Wolf River, Neville Road  
Fayette County 35.04614/89.57639

**WATERSHED DESCRIPTION:** The unnamed tributary to the Wolf River is a minor blue line stream channel 545 feet in length. The channel is 2 to 3 feet deep with a top of bank width of 8 to 10 feet. The stream is overgrown with shrubs and low herbaceous plants. The substrate is silt/sand. Surrounding land use is commercial.

**PROJECT DESCRIPTION:** The applicant proposes to improve and extend 1200 feet of Neville Road. The work would involve the relocation of 545 feet of an unnamed tributary of the Wolf River into a channel 630 feet in length. Trees (willow oak, cottonwood, bald cypress, and water oak) would be planted within a 20-foot planting strip along the length of the relocation with a 75% survivorship guarantee over three years. Bed and slopes would be stabilized with native grasses.

In accordance with the Tennessee Antidegradation Statement (Rule 1200-4-3-.06), the division has determined that the proposed activity will not result in degradation to water quality.

**USGS TOPOGRAPHIC QUADRANGLE:** Rossville, TN (416-SE)

**PERMIT COORDINATOR:** Brian Canada

No decision has been made whether to issue or deny this permit. The purpose of this notice is to inform interested parties of this permit application and to ask for comments and information necessary to determine possible impacts to water quality. Persons wishing to comment on the proposal are invited to submit written comments to the department. Written comments must be received within **thirty days of the date that this notice is posted**. Comments will become part of the record and will be considered in the final decision. The applicant's name and permit number should be referenced.

Interested persons may also request in writing that the department hold a public hearing on this application. The request must be filed within the comment period, indicate the interest of the person requesting it, the reasons that the hearing is warranted, and the water quality issues being raised. When there is sufficient public interest in water quality issues, the department will hold a public hearing.

The permit application, supporting documentation including detailed plans and maps, and related comments are available at the department's address for review and/or copying. The department's address is:
